

How to redeem gift cards on the iPad

On your iPad, Go to Settings> iTunes

Sign out of the Apple ID. The "freeapps@district65.net is our District 65 account that Kay uses to update the iPads. In order to avoid confusion, You MUST log out and sign in to your existing Apple ID.

If you do not have an Apple ID, create one (link it to your district65.net email account in order to keep things work related.

When it asks you for a credit card, you can click NONE

When you are looking to download the app, scroll down to the bottom on of the page and click "Redeem" and enter code.
